"Down Goes the Price!"

A Sales and Small Profits.

Champion Store, on Bird, between Main and Third Street, UP STAIRS.

THE SUBSCRIBER returns his sincere thanks to the citizens of Hannibal and vicinity, "Particularly to the Ladies," for their liberal patronage, and hopes to merit a continuation of the same.

The proprietor will conduct his business on the same plan and principles that like establishments in New York and Boston are now conducted. He will adhere strictly to the "ONE PRICE SYSTEM." Every article will be marked at the very "Lowest Cash Price," and no variation will be made, unless for damage. No misrepresentation or undue urging will be allowed. It is my determination to do a straightforward and honorable business, and to make my establishment an attractive and desirable resort to purchasers, for anything under the name of Dry Goods.

My stock consists, in part, as follows:

Another Scientific Wonder!
GREAT CURE FOR
DYSPEPSIA!
Dr. J. S. HOUGHTON'S

THE TRUE
DIGESTIVE FLUID,
OR, GASTRIC JUICE.

Prepared from Rennet, or the first stomach of the ox, after directions of Baron Liebig, the great Physiological Chemist, by J. R. Houghton, M. D., Philadelphia, Pa.

"DIGEST." Such is the true meaning of the word Pepsin. It is the chief element, or great digesting principle of the Gastric Juice—the solvent of the food, the purifying, preserving, and stimulating agent of the stomach and intestines. It is extracted from the digestive stomach of the ox, thus forming a true digestive fluid, perfectly like the natural Gastric Juice in its chemical powers, and furnishing a complete and perfect substitute for it.

This is Nature's own remedy for an unhealthy stomach. No part of man can equal its curative powers. It contains no acids, no bitters, acids, or nauseous drugs. It is extremely agreeable to the taste, and may be taken by the most feeble patients who cannot eat a winter cracker without the most acute distress. Beware of cheap imitations. Pepsin is not a drug. Half a teaspoonful of Pepsin dissolved in water, will digest or dissolve five pounds of meat beef in about two hours out of the stomach.

Scientific Evidence.

Dr. Theobald's evidence upon which this remedy is based is in the highest degree curious and remarkable.

Call on the agent and get a descriptive circular, gratis, giving a large amount of scientific evidence, from Liebig's Animal Chemistry; Dr. Gouba's Physiology of Digestion; Dr. Penha on Food and Diet; Dr. John W. Draper, of New York University; Prof. Baughe's Physiology; Prof. Stillman, of Yale College; Dr. Carpenter's Physiology, &c., together with reports of cures from all parts of the United States.

Pepsin in Fluid and Powder.

Dr. Houghton's Pepsin is prepared in Powder and in Fluid Form—and in Prescription vials for the use of Physicians. The powder will be sent by mail, free of postage, for one dollar sent to Dr. Houghton, Philadelphia.

DR. OBSERVE THIS!—Every bottle of the genuine Pepsin bears the written signature of J. S. Houghton, M. D., registered physician, Philadelphia, Pa. Copy-right and Trade Mark secured. Sold by all druggists and dealers in medicines. Price, ONE DOLLAR, per bottle.

number of Pictorial Embellishments will be increased; still greater variety will be given to its literary contents; its Editorial and Miscellaneous departments will be still farther enlarged; and no labor or expense will be spared to render it in every way, and in all respects, still more worthy of the extraordinary favor with which it has been received.

HARPER'S NEW MONTHLY MAGAZINE owes its success to the fact, that it presents more reading matter, of a better quality, in a more elegant style, and at a cheaper rate, than any other publication.

Subscribers in any part of the United States may now receive the Magazine by mail for three cents a number, or thirty-six cents a year postage, either of the Publishers, the Booksellers, or Periodical Agents.

What can be got for Five Dollars!!

The undersigned have entered into an arrangement by which they agree to furnish the Knickerbocker Magazine, (monthly,) the Home Journal (weekly,) and the Musical World and Times, (weekly,) to new subscribers, at the very moderate price of five dollars a year for the three publications; all orders enclosing that amount to Dyer & Willis, will be promptly attended to.

Grand Literary and Artistic Combination.

Arrangements have been made to furnish the Knickerbocker Magazine, the Home Journal, and the New York Musical World and Times, to new subscribers, for five dollars a year! This is cheap literature, with a vengeance. The Knickerbocker is \$3 per annum; the Home Journal, \$2; and the Musical World and Times, \$3; making \$8 a year at the usual rates. That three such works can be obtained for

five dollars a year, is a fact truly worthy the 'Caloric' age, which is just now being ushered in. Of the Knickerbocker Magazine, edited by Lewis Gaylord Clark, it is unnecessary to speak. For twenty years it has been the most genial, humorous, and spicy 'monthly' in the world; and the present volume will be better than any which preceded it. The Home Journal, edited by Geo. P. Morris and N. M. Willis, is well known as the best family newspaper in America; and the Musical World and Times, edited by Richard Storrs Willis, with Lowell Mason, Geo. H. Curtis, Thomas Hastings, Wm. P. Bradbury, Geo. F. Root, and other musical writers contributing; and which gives, among other things, over \$25 worth of music and a full course of instruction in harmony annually, is the very best musical journal ever published. These three publications will post a family up in regard to everything worth knowing:—Art, Science, Literature; music, painting, sculpture; inventions, discoveries; wit, humor, fancy, sentiment; the newest fashions and other attractions for ladies; choice new music for the Sabbath, the church, and the firesides; reviews and criticisms of Musical Works, Performers and Performances; in short, the very pick and cream of Novelty, Incident, History, Biography, Art, Literature and Science; including whatever can be given in periodicals to promote Healthy Amusement and Solid Instruction in the family, and help to make it Better, Wiser, and Happier, may be now obtained for five DOLLARS. Address DYER & WILLIS, 357 Broadway.

Prospectus to De Bow's Review.

Adapted to the Southern and Western States of the Union, including statistics of foreign and domestic industry and enterprise. Published monthly in New Orleans, at \$5 per annum, in advance.

Complete sets of the work, ten volumes, bound handsomely, and for sale at the office, New Orleans, and will be supplied on order, deliverable in any of the large cities or towns. They are an invaluable repository of practical information regarding our country, and should have a place in every public and private library. A few sets only remain.

The Review is now rapidly growing in circulation, and will exhibit many great improvements in the coming year, in size, matter, and appearance. The following are its leading divisions:

I. LITERATURE.—Criticisms, essays, poetry, sketches of fact and fancy, summaries of foreign and domestic news, movements in New Orleans, &c.

II. COMMERCE.—Its history, laws and statistics, commodities, shipping, navigation, treaties, tariffs, exports and imports, trade of the South and West, home and foreign trade.

III. AGRICULTURE.—Discussion upon cotton, rice, sugar, tobacco, hemp, Indian corn, wheat, slavery and slave laws, &c.

IV. MANUFACTURES.—Progress of Manufactures in the South and West.

V. Internal Improvements.—Canals, Railroads, plankroads, general intercommunication South and West—in the Union and abroad.

VI. Statistics.—Complete tables upon all of the above heads—of population, resources, wealth, mortality, blacks and whites, &c.

Five Great Novellees.—Great Attraction!!

Some five or six weeks ago, we announced that we would publish five first-class novelettes, written expressly for the "Dollar Newspaper." Four we had in hand at the time, and the fifth has since come into our possession. The first is now nearly half through, and has everywhere been pronounced a story of great merit. The following is the order of publication:—The Emigrant Squire, by P. Hamilton Myers, Esq.; the Mad Artist, by John S.

NEVER FAILING REMEDY!!!

HOLLOWAY'S OINTMENT.

CRIPPLE SETS ASIDE HIS CRUTCHES AFTER TEN YEARS SUFFERING.
Copy of a Letter from Mr. Thompson, Chemist, Liverpool, dated August 20th, 1882.

To Professor HOLLOWAY.

DEAR SIR—I am enabled to furnish you with a most extraordinary cure effected by your invaluable Ointment and Pills; which has astonished every person acquainted with the sufferer. About 10 years ago, Mr. W. Cummins, of Saltney Street, in this town, was thrown from his horse, whereby he received very serious injuries; he had the best medical advice at the time, and was afterwards an inmate of different infirmaries, yet he grew worse, and at last a malignant running ulcer settled in his hip, which so completely crippled him, that he could not move without crutches for nearly 10 years; recently he began to use your Ointment and Pills, which have now healed the wound, strengthened his limb, and enabled him to dispense with his crutches, so that he can walk with the greatest ease, and with renewed health and vigour.

(Signed) J. THOMPSON.

A MOST EXTRAORDINARY CURE OF A DREADFUL SKIN DISEASE WHEN ALL MEDICAL AID HAD FAILED.
Copy of a Letter from Mr. Hird, Draper, of Keady, near Gainsboro', dated March 1st, 1882.

To Professor HOLLOWAY.

SIR—Some time since, one of my children was afflicted with dreadful eruptions over the body and limbs. I obtained the advice of several eminent Surgeons and Physicians, by all of whom the case was considered hopeless. At length I tried your Ointment and Pills, and without exaggeration, the effect was miraculous, for by persevering in their use, all the eruptions quickly disappeared, and the child was restored to perfect health.

I previously lost a child from a similar complaint, and I firmly believe, had I in her case adopted your medicines she would have been saved also. I shall be happy to testify the truth of this to any enquirer.

(Signed) J. HIRD, Draper.

CERTAIN REMEDY FOR SCORBUTIC HUMORS—AND AN ASTONISHING CURE OF AN OLD LADY SEVENTY YEARS OF AGE OF A BAD LEG.

Copy of a Letter from Messrs. Walker and Co., Chemists, Bath.

To Professor HOLLOWAY.

DEAR SIR—Among the numerous cures effected by these of your valuable medicines in the neighborhood we may mention that of an old lady living in the Village of Preston, about five miles from this City. She had ulcerated wounds in her leg for many years, and latterly they increased to such an alarming extent as to defy all the usual remedies; her health rapidly giving way under the suffering she endured. In this distressing condition she had recourse to your Ointment and Pills, and by the assistance of her friends, was enabled to persevere in their use, until she received a perfect cure. We have ourselves been greatly astonished at the effect upon so old a person, she being above 70 years of age. We shall be happy to satisfy any enquiries as to the authenticity of this really wonderful case, either personally or by letter.

A private in the Bath Police Force, also, has been perfectly cured of an old scorbatic affection in the face, after all other means had failed. He states that it is entirely by the use of your Ointment, and speaks loudly in its praise.

W. remain, Dear Sir,

Yours, faithfully,

April 6th, 1882. (Signed) WALKER & CO.

The Pills should be used conjointly with the Ointment in most of the following cases:—
